

**TORRES MARTINEZ  
DESERT CAHUILLA WETLAND  
SOLAR ENERGY INSTALLATION PROJECT**

**NOTICE INVITING BID 16-02  
RESULTS  
8 February 2017**

The Salton Sea Authority (the Authority) thanks the bidders for participating in this process. The bid amounts received are shown in the table below. Based on the bids shown below, the material included with the bids, and the supplemental information provided, the Salton Sea Authority has selected Bidder A as the Best Value for this project. As such, the Authority intends to begin contract negotiations with Bidder A. Should contract negotiations with Bidder A be unsuccessful, the Authority will re-evaluate the bids and identify the next Best Value bid and begin negotiation with that firm.
