Subject: Public Comment 5/21/20 SSA Board Meeting

Hello,

Below are my comments and questions for item 5 (C) EIFD presentation. Thank you!

Hello, My name is Patricia Leal and I am with Alianza Coachella Valley. My questions are for item 5 (C) EIFD presentation.

1. What is the current plan for remote community engagement in the conversations related to the EIFD planning and North Lake Project? There is a need to intentionally inform and engage community residents in these two specific components, as previously, there has been little to no engagement specifically with this project.
2. Through prop 68, there is specific funding allocated to the SSA. What are the specifics of how this money will be spent?
